Tuba/Euphonium Lessons

About Me

A junior Instrumental Music Education major at the University of Oklahoma, I am primarily a student of Brian Dobbins, but have received additional extensive instruction from Patrick Purdy, Alex Purdy, and Dr. Brian Wolfe. I have extensive performing experience in both concert ensembles and marching ensembles alike. In addition to performance I also serve as a marching band instructor at Tuttle High School. I love being able to teach music and hope to use this opportunity to build a passion for music and share valuable life skills with the students.

Expectations

I expect all students pursuing lessons to respect both their time and my time by arriving at lessons prepared to play their best. Communication is imperative; if you have to miss a lesson, please let me know as soon as possible. As a student, you should expect to receive my absolute best effort to prepare you for success in achieving your goals, and help setting new goals for yourself in music.
