OBJECTIVE

Music has been the vehicle for growth in all facets of my life for 23 years. The benefits are academic, social, physical, spiritual, psychological and, I believe, universal. My aim is to use music to give students the tools of mindfulness, balance, and focus so they may have success and peace in whatever path life presents.

ABOUT ME

I obtained my Master's and Bachelor's degrees in Music Performance from the University of Oklahoma in 2013 and 2011 respectively. I have been teaching privately since 2012. In addition to the role of Percussion Director at Blanchard HS, I have been an active Touring Drummer and Recording Artist for the past several years. I have experience in Orchestral/Symphonic music, Marching band, chamber ensemble, jazz, Brazilian and Afro-cuban music, rock, country, pop, R&B and soul.
