- Passion for music as a whole and teaching people who love it as well!

### ABOUT ME!

My name is Ben Curtis! I am a senior MUED student at UCO and I am so excited to start teaching private lessons! I graduated from Norman North in 2020, and I was a student at OU for two years before transferring to UCO and the contrasts and similarities of the programs and bands have given me a lot of knowledge and talent that I want to share with my students. I am incredibly passionate about music, and I have been singing, whistling, and learning instruments since I can remember. I play bass trombone in all of my ensembles but I am also a strong tenor player. I hope to find a teaching style and set of goals that helps each of my students grow as much as they can! I can't wait to hear from you all!

### PRICING

- \$30/Hour
- \$20/30 Mins
